* Reduced Fee

In some cases, reduced fees may apply if, for example, you hold certain government concession cards or can demonstrate financial hardship. In these cases the Court may approve the payment of a reduced fee. If you want to know more, or are unsure about fees, access the Fees page on the Court's website at www.familycourt.wa.gov.au, read the *Guidelines for the reduction of court fees – general or financial hardship* or ask registry staff.

Deferral of fees

Under the Regulations, in some cases fees do not have to be paid at time of filing or setting down. A Registrar may defer the payment of a fee on application, for instance if the matter is **URGENT** or having regard to the financial circumstances of the party it would be oppressive or unreasonable to require payment at that time. If you want to know more, or are unsure about fees, access the Fees page on the Court's website at www.familycourt.wa.gov.au, or ask registry staff.
